

PBXact

Fully-featured UC platform based on open-source technology

Datasheet

PBXact is available on certified Sangoma appliances using the Sangoma UCS hardware platform, as software for your own hardware and virtual machines, as a cloud service, and as a service (SaaS) for partners to offer to their customers.

Integrated SIPStation™ SIP Trunking

Sign-up with the award winning SIPStation service directly from the administration GUI and automatically configure within seconds.

Zero-Touch Provisioning

Out-of-box automatic configuration with Sangoma's IP Desk phones, from anywhere in the world. The EndPoint Manager Tool within the administration GUI enables centralized control of every phone's configuration and firmware.

Integration With Your Existing Tools

Built-in click-to-dial and screen-pop for web-based Customer Relationship Management (CRM) tools.

Mobility & Remote Worker Friendly

Desktop and mobile apps deliver HD voice calling, parking, conferencing, SMS/MMS**, and group chat, ideal for sales, support or contact center staff.

Powerful Features From Your Desk Phone

Users can now control complicated features directly from their Sangoma IP Desk Phones right out-of-the-box. There's no need to memorize hard to remember feature codes!

Web-based User Control Panel

User Control Panel (UCP) lets every user manage their own calls settings, conference call rooms, voicemail, and contact center features via customizable widgets.

Advanced Recovery

Avoid catastrophic failure with the Advanced Recovery module, which delivers automatic failover to a secondary PBXact system.

- › Codec2, GSM, iLBC, LPC10, Opus, SILK
- › 16 bit Signed Linear PCM (8/12/16/24/32/44/48/96/192kHz)

Physical Features

PBXact software runs on Sangoma UCS hardware

PBXact 25/40

- › Unit dimensions: 127mm (W) x 127mm (D) x 50mm (H)
- › Unit weight: 0.68kgs (1.5lbs)
- › External universal AC/DC power brick

PBXact 60

- › Unit dimensions: 430mm (W) x 320mm (D) x 45mm (H)
- › Unit weight: 3.95kgs (8.7lbs)
- › Internal 100~240V power supply

PBXact 100

- › Unit dimensions: 430mm (W) x 320mm (D) x 45mm (H)
- › Unit weight: 4.0kgs (8.9lbs)
- › Internal 100~240V power supply

PBXact 400/1200

- › Unit dimensions: 430mm (W) x 620mm (D) x 43mm (H)
- › Unit weight: 9.8kgs (21.5lbs)
- › Internal 100~240V power supply (Dual optional)
